

VCVC Application Reactivation Request

Visa Credential Verification Certificate (VCVC) applications not completed within one year of submission become inactive. Those who wish to reactivate their VCVC file with NBCOT should submit this form and the appropriate fee. Once payment is processed, the VCVC file will be active for another year. The applicant will be sent a letter by mail and e-mail confirming current status in the program. Please note: Files that remain inactive for up to two (2) years will be closed and are not eligible for reactivation.
